RESOLUTION OF THE COMMON COUNCIL OF THE CITY OF KINGSTON, NEW YORK, DENYING NYS
THRUWAY AUTHORITY AS LEAD AGENCY AND RECOMMENDING THE NYS DEC SERVE AS LEAD
AGENCY FOR THE PILGRIM PIPELINE PROJECT

WHEREAS, in January of 2015, the City of Kingston unanimously passed a memorializing resolution #21 of 2015 'in support of the Kingston Conservation Advisory Council's Recommendation to Oppose the Proposed Pilgrim Pipeline" that was sponsored by the Council's Public Safety Committee and that passed unanimously; and,

WHEREAS, this project will be considered a State Environmental Quality Review Act (SEQRA) Type 1 action under 6 NYCRR Part 617: and,

WHEREAS, the City of Kingston is an 'Involved' agency in SEQR, which means that Kingston will be able to have a voice in determining who is Lead Agency of this project; and,

WHEREAS, the Thruway Authority is considering SEQRA lead agency status for this project; and

WHEREAS, this is a timely matter as a decision on lead agency will be made once comments have been received and after the 30-day review period ends on December 16, 2015; and,

WHEREAS, more than 20 New York municipalities, including the City of Kingston, have passed resolutions (both memorializing and otherwise) of opposition to this project after concluding that the risks and costs to our communities far outweigh any potential benefits, and that the project contradicts local and State energy goals; and,

WHEREAS, the proposed pipeline threatens important resources of statewide concern, including the Hudson River and major tributaries, such as the Rondout, Esopus, and Catskill Creeks and Wallkill River, State-regulated wetlands and other resources that the DEC is responsible for protecting and is best equipped to ensure a full and adequate evaluation of environmental impacts; and,

WHEREAS, the NYS Department of Environmental Conservation (DEC) is one of the State agencies responsible for State efforts to mitigate climate change, and is best positioned to lead an evaluation of this project's potential impacts on climate; and,

WHEREAS, the DEC, as the state environmental agency, is best suited to guide the environmental review of this large, multi-jurisdictional project that has the potential to impact environmental resources in 6 New York counties and 29 towns, and is the agency with the power and the expertise to ensure a comprehensive and coordinated review; and,
