We represent "Concerned Kingston". I am either:

- a student of Kingston City School District (KCSD)
- an employee of the KCSD
- I have a family member that is a student/employee in KCSD OR
- I have a KCSD school located in the city or town I live in.

An SRO's primary duty, according to the NYS School Board's definition, is to protect the school's environment and to maintain an atmosphere where students, teachers and staff feel safe. An SRO must be an accredited police officer in good standing (police academy training is minimally 649 training hours) and then receives additional training from The Criminal Justice Services Youth Service Training Department. This training includes academic organizational structure, counseling, handling specials needs students, school violence, gang activity, crisis management, and creating drug free schools.

I support that it is in the best interests of our children, their teachers and staff, and our community for the SRO's to continue their important work in our local schools. Safety should never be left up to the staff and teachers of the building. In addition, an SRO is a child's first introduction to police officers in many cases and it is in a positive and safe environment.

Safety should never be left up to the staff and teachers of the building. In addition, an SRO is a child's first introduction to police officers in many cases and it is in a positive and safe environment.

**To:** Dr. Paul Padalino, Superintendent of Schools, Mr. James Shaughnessy, Mr. Steven Spicer, Ms. Cathy Collins, Mr. Herb Lamb, Ms. Priscilla Lowe, Ms. Robin Jacobowitz, Ms. Suzanne Jordan, Mr. James Michael

We represent "Concerned Kingston". I am either:

- a student of Kingston City School District (KCSD)
- an employee of the KCSD
- I have a family member that is a student/employee in KCSD OR
- I have a KCSD school located in the city or town I live in.

An SRO's primary duty, according to the NYS School Board's definition, is to protect the school's environment and to maintain an atmosphere where students, teachers and staff feel safe. An SRO must be an accredited police officer in good standing (police academy training is minimally 649 training hours) and then receives additional training from The Criminal Justice Services Youth Service Training Department. This training includes academic organizational structure, counseling, handling specials needs students, school violence, gang activity, crisis management, and creating drug free schools.

I support that it is in the best interests of our children, their teachers and staff, and our community for the SRO's to continue their important work in our local schools. Safety should never be left up to the staff and teachers of the building. In addition, an SRO is a child's first introduction to police officers in many cases and it is in a positive and safe environment.

I support that it is in the best interests of our children, their teachers and staff, and our community for the SRO's to continue their important work in our local schools. Safety should never be left up to the staff and teachers of the building. In addition, an SRO is a child's first introduction to police officers in many cases and it is in a positive and safe environment.

**To:** Dr. Paul Padalino, Superintendent of Schools, Mr. James Shaughnessy, Mr. Steven Spicer, Ms. Cathy Collins, Mr. Herb Lamb, Ms. Priscilla Lowe, Ms. Robin Jacobowitz, Ms. Suzanne Jordan, Mr. James Michael

We represent "Concerned Kingston". I am either:

- a student of Kingston City School District (KCSD)
- an employee of the KCSD
- I have a family member that is a student/employee in KCSD OR
- I have a KCSD school located in the city or town I live in.

An SRO's primary duty, according to the NYS School Board's definition, is to protect the school's environment and to maintain an atmosphere where students, teachers and staff feel safe. An SRO must be an accredited police officer in good standing (police academy training is minimally 649 training hours) and then receives additional training from The Criminal Justice Services Youth Service Training Department. This training includes academic organizational structure, counseling, handling specials needs students, school violence, gang activity, crisis management, and creating drug free schools.

I support that it is in the best interests of our children, their teachers and staff, and our community for the SRO's to continue their important work in our local schools. Safety should never be left up to the staff and teachers of the building. In addition, an SRO is a child's first introduction to police officers in many cases and it is in a positive and safe environment.

An SRO's primary duty, according to the NYS School Board's definition, is to protect the school's environment and to maintain an atmosphere where students, teachers and staff feel safe. An SRO must be an accredited police officer in good standing (police academy training is minimally 649 training hours) and then receives additional training from The Criminal Justice Services Youth Service Training Department. This training includes academic organizational structure, counseling, handling specials needs students, school violence, gang activity, crisis management, and creating drug free schools.

I support that it is in the best interests of our children, their teachers and staff, and our community for the SRO's to continue their important work in our local schools. Safety should never be left up to the staff and teachers of the building. In addition, an SRO is a child's first introduction to police officers in many cases and it is in a positive and safe environment.

- I have a family member that is a student/employee in KCSD OR
- I have a KCSD school located in the city or town I live in.

An SRO's primary duty, according to the NYS School Board's definition, is to protect the school's environment and to maintain an atmosphere where students, teachers and staff feel safe. An SRO must be an accredited police officer in good standing (police academy training is minimally 649 training hours) and then receives additional training from The Criminal Justice Services Youth Service Training Department. This training includes academic organizational structure, counseling, handling specials needs students, school violence, gang activity, crisis management, and creating drug free schools.

I support that it is in the best interests of our children, their teachers and staff, and our community for the SRO's to continue their important work in our local schools. Safety should never be left up to the staff and teachers of the building. In addition, an SRO is a child's first introduction to police officers in many cases and it is in a positive and safe environment.

**To:** Dr. Paul Padalino, Superintendent of Schools, Mr. James Shaughnessy, Mr. Steven Spicer, Ms. Cathy Collins, Mr. Herb Lamb, Ms. Priscilla Lowe, Ms. Robin Jacobowitz, Ms. Suzanne Jordan, Mr. James Michael

We represent "Concerned Kingston". I am either:

- a student of Kingston City School District (KCSD)
- an employee of the KCSD
- I have a family member that is a student/employee in KCSD OR
- I have a KCSD school located in the city or town I live in.

An SRO's primary duty, according to the NYS School Board's definition, is to protect the school's environment and to maintain an atmosphere where students, teachers and staff feel safe. An SRO must be an accredited police officer in good standing (police academy training is minimally 649 training hours) and then receives additional training from The Criminal Justice Services Youth Service Training Department. This training includes academic organizational structure, counseling, handling specials needs students, school violence, gang activity, crisis management, and creating drug free schools.

I support that it is in the best interests of our children, their teachers and staff, and our community for the SRO's to continue their important work in our local schools. Safety should never be left up to the staff and teachers of the building. In addition, an SRO is a child's first introduction to police officers in many cases and it is in a positive and safe environment.
