Madam President,

Over the past five assessment calendars, Board of Assessment Review Chairman Matthew Branford has done an excellent job as a board of assessment review member and chairman. As Chairman he has instituted effective changes to the review and administrative processes of the Board of Assessment Review. He has been a great asset to the City of Kingston.

Chairman Branford's Board of Assessment Review term ends on 9/30/21. I am writing to you to respectfully request that the Common Council please consider his reappointment with a term ending 9/30/26 (term 10/1/2021 thru 9/30/26).

Please refer this communication to the Public Safety/General Government Committee for consideration of Chairman Branford's reappointment.

Respectfully,

Dan

Dear President Shaut,

With this communication I ask that the "No Parking" zone on the North side of Linderman (which currently runs from Navara Street to Hewitt Place) be extended from Hewitt Place to the property line between 71 and 73 Linderman.

This stretch of road is narrow and creates potentially hazardous conditions in an area with three intersections in a short distance of one another (Hewitt, Noone, and Delta).

Thank you for your consideration.

Best wishes,

Reynolds J. Scott-Childress
Alderman, Ward 3

Good morning Elisa,

I am accepting the below communication as a late communication. Alderman Davis and I spoke about this issue over the weekend, and we agree it's best to start a conversation sooner vs. later to see if this is a direction the council wants to go. Can you please assign this to Public Safety/General Government for July's meeting?

Thank you,
Andrea

Dear Alderwomen At Large,

Would like to have a communication regarding the possibility of installing crossing signs at various intersections throughout Kingston.

Please see the attached picture.

Good afternoon Elisa,

I have agreed to accept the following as a late communication for July's Public Safety meeting, as I view handicap signage a time-sensitive issue. Alderman Davis is aware that he will need to have the permit number for the meeting.

Can you please add this to the agenda for next week?

Thank you,
Andrea
