Re: Line item transfer

Attached is a Finance and Audit Committee Report requesting a transfer of funds for the replacement of a turnout gear extractor. The extractor/washer being replaced was purchased in 2003. The machine is vital in maintaining personnel's health by removing the carcinogens which get trapped in their turnout gear. This transfer has zero financial impact to the fire departments 2021's budget.

Re: FY 2021 Budget Transfer - Committed Fund Balance to Shade Tree Account

Dear Pre. Shaut:

Due to accounting modifications, the City Comptroller has advised that certain funds which were held in Trust and Agency Accounts are now held in a different fashion. In order to access those funds, a budget transfer is now required. Therefore, I am requesting that the following budget transfer be authorized by the Common Council for purposes of closing out a fund which was set up to accept donations raised by Alderman O'Reilly as part of a community beautification project at the head of Delaware Avenue. The transfer is moving existing funds so that there is no fiscal impact to the City. Therefore, I respectfully request the following budget transfer:

INCREASE BUDGET LINE A1-8560.5472 (Shade Trees - Contracted Expenses) by \$525.00
DECREASE BUDGET LINE: A1-999919.501 (Committed Fund Balance) by \$525.00

Re: FY 2021 Budget Amendment - Planning Overtime

Dear Pre. Shaut:

This is to request that authorization of an internal budget request to cover costs associated with overtime pay in the Planning Board FY 2021 budget. At this time the allocation which was originally adopted, and amended in September 2021, has been depleted and there is a need to cover both current and anticipated costs through the end of the year. OUR STATE REPRESENTATIVES TO AMEND THE OPEN MEETINGS LAW**

Sponsored By: Laws & Rules Committee: Alderman Ventura
Morell, Hirsch, Scott-Childress, Tallerman,
Worthington

WHEREAS, The City of Kingston's Boards and Commissions are operating under the New York State Open Meetings Law (Article 7 of the Public Officers Law) and the City strongly supports the purpose and intent of the Open Meetings Law; and

WHEREAS, On March 7, 2020, due to COVID-19, Governor Andrew Cuomo issued Executive Order 202.1, and Chapter 417 extended that provision, which, among other emergency measures, suspended the Open Meeting Law requirements that public bodies conduct in-person meetings and provide notice of the locations from which members of the public body were attending such meetings; and

WHEREAS, Revealing the location of members participating remotely is not necessary to ensure that the public can attend and observe a meeting. Since meetings of a public body are noticed and can be viewed at a designated location (City Hall), members of the public can attend the meeting in the same manner as they would as if every member of the public body is present; and

WHEREAS, The Live Well Kingston Commission has penned a letter to our State representatives asking them to amend the Open Meetings Law to allow Chapter 417 to be extended indefinitely;

BE IT FURTHER RESOLVED that the City of Kingston call upon our state representatives to amend the Open Meetings Law to provide enhanced opportunities for the conducting of business at a meeting of a public body through the use of remote meeting technology; authorize committees of the public body to meet through the use of videoconferencing without a fixed location for the meeting; and eliminate the requirement that a public body subject to the Open Meetings Law identify the location(s) from which a member of the public body will be attending the meeting remotely; and eliminate the requirement that members of the public be accorded the right to attend such meetings at those remote locations.

BE IT FURTHER RESOLVED that the City Clerk is directed to send a copy of this resolution to State Senator Michelle Hinchey and State Assemblymember Kevin Cahill.

Subject: RE: Handicap Parking Sign Request

Hi Elisa,

I do not wish to delay a handicap sign and will therefore accept this late communication for next week's Public Safety meeting. I have already discussed with Chairperson Tony Davis, so he is aware of the addition. Can you please make this addition to the agenda for the 12/21 meeting?

Thank you,
Andrea

Hello President Shaut, please accept this as a request for Handicap Parking at 47 Clinton. Engineering does not object to the request.

Don Tallerman provided the handicap tag # 5448785.

Please add this to an upcoming meeting of PS/GG and let me know if anything further is needed.

Thank you,
