Subject: Greenkill at Wilbur, signal removal

Hello Andrea-

Please add this item to an upcoming meeting of the Public Safety / General Government committee. The request is for removal of the traffic signal and replacing it with an all-way stop.

I am attaching my communication and a committee report.

Please let me know if you have any questions.

Thank you,

John M. Schultheis, P.E.

RE: Removal of Traffic Signal, Greenkill at Wilbur

Dear President Shaut:

As you know we requested and obtained legislation in 2020 to authorize removal of 11 traffic signals at various locations in the City. The DPW completed the work and the intersections have been operating as all-way stop intersections for several months now. The project was successful and is providing the City with savings while continuing to allow traffic to move efficiently.

We have become aware that a similar project may be completed at the intersection of Wilbur Avenue and Greenkill Avenue. We prepared an engineering report to study the location and found that it does not meet the MUTCD (Manual of Uniform Traffic Control Devices) warrants for signalization and so the signal can be removed and replaced with all-way stop.

It is my recommendation that this signal removal be implemented. Doing so will benefit the City and the general public, especially given the age of the signal equipment and difficulty in maintaining this signal. Further, this signal does not include modern features such as pedestrian push buttons. Unwarranted signals also have the undesirable effect of decreasing the public's respect for traffic control devices generally.

Therefore, my request is that the Common Council amend the Code as follows:

Amend 390-84 Schedule I: Traffic Signals to delete the intersection of Greenkill at Wilbur, and
Amend 390-92 Schedule IX: Stop Intersections to add the intersection listed above as an All-way Stop intersection.

Please forward this request for consideration at Public Safety / General Government.

I plan to attend the meeting of the committee so that I may answer any questions that arise.

Respectfully,

CITY OF KINGSTON

Re: Pine Grove Median Recognition

Dear President Shaut,

I am happy to report that a new partnership between the YMCA, The Fuller Building and the City of Kingston was formed in an effort to renew and replant the Pine Grove median. This past week, 18 Little Leaf Linden's were planted along the corridor. I would like to formally recognize the YMCA of Ulster County and The Fuller Building for being willing to "Adopt-a-Median". Through this adoption, these supportive neighbors will help to care for and maintain this area of Pine Grove Avenue. I would like to request that the Kingston Common Council formally recognize this adoption per City Code and request that the Department of Public Work produce a sign to be mounted in this area.

Please feel free to contact me if you have any questions or concerns.

Respectfully Submitted,

Elisa,

Can you please put the following email into my folder for a communication? Considering this missed the deadline for April, it would be for May's Public Safety. Steve – if this is a time sensitive issue, and you would like me to consider it as a late communication, please let me know.

Thank you,
Andrea

Subject: RE: Police Headquarters Old Business Laws and Rules

Hi Steve,

I would prefer this to be a new communication. Considering the 2018 Common Council had different membership, I think it's the more appropriate option. We can use your email and attached renderings as the communication. I will ask Elisa to file it, and you can expect it at May's committee meeting.

Thank you,
Andrea

Subject: Police Headquarters Old Business Laws and Rules

A group representing the late Kingston Police Chief James Riggins has requested the addition of the attached lettering to the façade of both the front and rear of the Kingston Police Headquarters. This represents a modification of legislation which was approved in July 2018 by Common Council. The previous request called for the addition of a stone wall in front of the building with the lettering on the on the wall. The group has also requested a small plaque honoring Chief Riggins inside the front door.

Work on the project was not initiated subsequently have submitted this modification of their request consisting of lettering on the front entrance of the building as well as the rear entrance. They are also requesting that a plaque be placed inside the front entrance honoring Chief Riggins. All renderings are attached.

The work will be done with private contributions and no cost will be incurred by the City of Kingston. The group has also expressed interest in beautifying the plantings around the entrance to the building.

As per Corporation Counsel, the modifications must be approved by the Common Council. I think that this may fall under "Old Business" and may not need a new communication. However, if this is not the case, this e-mail will serve as a communication.

Please feel free to contact me if additional information id required.

President Shaut

The Parks and Recreation Commission has voted unanimously to to dedicate the Block Park basketball court to Kenneth Bryant along with a modest plaque. Their heartfelt letter follows. Ken passed away tragically in 2012 after a lifetime of dedication to the City Of Kingston, it's children and the Recreation Department. His steadfast dedication to his family was also be remembered fondly. an opportunity to work with such a person is rare, and I am proud and blessed to have served on the Recreation Commission with this caring and selfless individual. I fully support memorializing Mr. Bryant in this fashion and I think it would be respectful that the Common Council officially recognize him in a resolution. Invitations to the dedication will be dedication will be sent to all. You may be advised that the memorial will be funded by private donations.

Respectfully
Steven Schabot, Alderman/City of Kingston Recreation Commission Liaison

Kingston, NY 12401

Dear President Shaut and Common Council,

On behalf of the Recreation Commission, I would like to submit a formal request to name the Block Park Basketball Court in remembrance of Ken Bryant, who passed away in 2012. Ken was a selfless man who dedicated countless hours to serving the Parks and Recreation Department and the community as a whole. His list of accomplishments, both professional and personal, is versatile and impressive, to say the least. In the eyes of the Commission, his contributions make him a very worthy candidate of this honor.

Many who knew Ken remember him as a determined, competitive, yet kind and warm person. He dedicated over 25 years to giving back to the community as a volunteer coach for the City's Youth Bidy League Basketball Program. While he was known by many as "Coach", his teachings went far beyond basketball skills. Ken was a strong believer in carrying a positive attitude and working together, which was his focal point to anyone who was lucky enough to play on his team.

In addition to volunteering as a basketball coach, Ken served on several boards and commission for the community he loved so much. He was the Chairman of the Kingston Parks and Recreation Commission, a member of the City of Kingston Human Rights Commission, Ulster County Youth Bureau, and Chairman of the Bureau's Planning Committee.

Ken took pride in the work he did and how he did it. He carried himself with poise and grace that never went unnoticed by those around him. His impact on the Parks and Recreation Department still remains and feels deserving of the honor of naming the Block Park Basketball Court in his memory.

Thank you for your consideration.

Respectfully,

Lynsey Timbrouck
Director of Parks and Recreation
