RE: Limited time parking, Wynkoop at Foxhall

Dear President Shaut:

This is in response to Mr. Tallerman's request to add limited time parking signage during the hours of 7am to 3pm, Monday through Saturday. This location does not currently have any parking controls or signage legislated or installed.

It is my recommendation the code be revised to add one twenty-minute parking space on the south side of Wynkoop Place, closest to the intersection with Foxhall Avenue.

Please add this item to a meeting of the Public Safety / General Government committee.

Sincerely,

John M. Schultheis, P.E.  
City Engineer

**THE CITY OF KINGSTON COMMON COUNCIL**

**PUBLIC SAFETY/GENERAL GOVERNMENT  
COMMITTEE REPORT**

Dear President Shaut,

On behalf of The Department of Public Works, we respectfully request an item be added to the agenda for October's Public Safety Meeting. I would like to discuss parking restrictions as they pertain to the City's snow emergency routes. Your assistance in getting this added to the agenda is greatly appreciated.

Sincerely,

Edward Norman  
Superintendent Public Works

Dear President Shaut,

On behalf of The Department of Public Works, we respectfully request an item be added to the agenda for October's Public Safety Meeting. I would like to discuss parking restrictions on Broadway as they pertain to garbage removal and street cleaning. Your assistance in getting this added to the agenda is greatly appreciated.

Sincerely,

Edward Norman  
Superintendent Public Works

September 21, 2021

Dear President Shaut:

I request that two stop signs be placed on Washington Avenue at the intersection with Marius Street at George Washington Elementary, one heading in each direction. There are two reasons for this request.

1. There has been a series of crashes in the area of 55-65 Washington Avenue: five in the two months of August and September. These have ranged from a clipped rear-view mirror to a crash that flipped one car and totaled another. A stop sign at Marius, particularly an oversized one with red reflective tape, would slow traffic down and reduce the likelihood of further incidents.
2. There has been a school-crossing guard at this intersection in the past. But apparently KPD has been unable to hire a replacement. Despite the yellow lights that flash during school opening and closing hours, parents report there is still danger from speeding vehicles. A stop sign would cause cars to slow to a stop to enable the young children to cross the street in greater safety.

Best wishes,

Rennie Scott Childress  
Alderman Ward 3
