Dear President Shaut,

Attached please find two budget modification requests for the Office of Community Development.

The first request is to cover additional expenses in Advertising and General Materials & Supplies. The advertising for the CDBG Program has been higher than previous years due to the number of mandatory public notices published for each of the regular CDBG funding, two rounds of CDBG-CV funding and a CDBG Substantial Amendment.

The second request is to transfer funding reimbursements already received by the City to Contractual Services.

Re: Hiring Additional Police Officers

Dear President Shaut,

I am requesting the Common Council approve the funding to allow for the hiring of three (3) new police officers for the Kingston Police Department. The financial impact on the 2021 budget will be \$77,986 out of our fund balance. These officers will assist with our new community policing initiatives as well as the AVERT initiative I recently discussed with the Council. I believe we need to add these additional resources to assist in keeping our residents safe while building better relationships with our community, block by block, front porch by front porch.

Please feel free to contact me if you have any questions or concerns.

Respectfully Submitted,

Re: FY 2021 Budget Amendment - Planning - Payout

Dear Pre. Shaut:

As all may be aware, J. Edelson-Safford unexpectedly left the City of Kingston employment as a part time Historic Preservation Administrator in June of 2021. We are currently seeking a replacement for that position in our office. This is to request authorization of an internal budget request to cover costs associated with her departure as we are contractually obligated to pay her out for unused time. This time was audited by both our Civil Service and Comptroller's Office prior to be paid and was not an anticipated expense under our regular 2021 budget. The transfer is moving existing funds from another payroll account line so that there is no fiscal impact to the City. Therefore, I respectfully request the following budget transfer:

INCREASE BUDGET LINE: A1-8020 5105 (Planning - Retirement Accumulation) by \$2,554.21

DECREASE BUDGET LINE: A1-8020 5112 (Planning - Part Time Employees) by \$2,554.21

A proposed form of Committee Report is attached for your use. If there are any questions, please do not hesitate to contact our office to discuss.

Re: FY 2021 Budget Amendment - Planning Overtime

Dear Pre. Shaut:

This is to request that authorization of an internal budget request to cover costs associated with overtime pay in the Planning Board FY 2021 budget. At this time the allocation which was originally adopted has been depleted and there is a need to cover both current and anticipated costs through the end of the year. The transfer is moving existing funds from other accounts and lines so that there is no fiscal impact to the City. Therefore, I respectfully request the following budget transfer:

INCREASE BUDGET LINE A1-8020.5103 (Planning - Overtime-Contracted Expenses) by \$1,600.00

DECREASE BUDGET LINES:

Re: Authorizing funding in the first instance for the Pedestrian Safety Action Plan

Dear President Shaut,

The City of Kingston received federal funding of \$530,000 for the Pedestrian Safety Action Plan Project in 2019. These funds do not require a local match.

To date, the funding for the Preliminary Design and Detailed Design has been expended and Right-of-Way (ROW) was not required; these components were authorized under Resolution 101 of 2019. This current request is to authorize the remaining funds for the Construction and Construction Inspection costs for the project.

The City of Kingston is improving pedestrian safety at both signalized and uncontrolled crosswalk intersections throughout the City. The main objective behind these improvements is to ultimately reduce the potential for pedestrian crashes in target areas. Intersections will have ADA compliant curb ramps/ extensions, high visibility crosswalks, including pedestrian signal updates such as countdown timers and signal timing.

In order to access the remaining funds, the NYSDOT requires that the City pass a resolution to fund the construction and construction inspection project costs in the first instance. The attached resolution, originally drafted by NYSDOT, will allow the City to request reimbursements from the NYSDOT for the remaining \$471,000.

I am requesting placement on the agenda of the appropriate committee in August to recommend the passage of this resolution. Ruth Ann Devitt-Frank, the Project Manager for this project, will attend the meeting.

Please feel free to contact me or Ruth Ann with any questions regarding the project. Thank you for your consideration.

Sincerely,
