Subject: [EXTERNAL EMAIL] Good cause eviction

I am in opposition to this proposal. Although, with all good intentions, it will eventually have a negative impact on the rental market. There will be a decline in value for multi-family homes due to the requirements and therefore a lack of apartments in the future to benefit those you wish to help.

I can also see a decline in maintenance of homes due to the lack of ability to raise the rent.

For these reasons, and many others, I hope you will reconsider.

Thank you,
Victoria Hoyt
