Subject: Communication Regarding Signage on Alcazar Avenue at Burhans Blvd

Dear President Shaut,

Please accept this message as a communication to be placed on the agenda of the appropriate committee in February. I am requesting that No Parking Here to Corner signs be placed on both sides of the street at the end of Alcazar Ave where it turns onto Burhans Blvd.

I have asked the City Engineer to take a look at this intersection, and trust that he will be able to do so prior to the committee meeting.

I am hoping that this request will be the final one needed to address the parking and traffic safety issues in this corner of Ward 1!

Thank you for your consideration. Please let me know if you have any questions or concerns.

Sincerely,

Sara

Sara Pasti
Ward 1 Alderwoman
Kingston Common Council
(845) 392-2519

Good morning,

A handicap sign is requested for 83 Henry st. The tenant lives in the front apartment.

Thank you

Alderman Jeanne Edwards

Subject: Public Safety - agenda item

Good morning,

Please add this email to the agenda of January's public safety meeting.

The three E's (Engineering, Education, and Enforcement) have been the center of traffic concerns since the rise of automobiles. The Common Council has taken steps, with the help of the Complete Streets Advisory Board, the Mayor, and the community, to better our city's traffic concerns. However, like most issues, there is more work to ensure all road users are safe.

Alderman Scott-Childress and I will present an idea focusing on how the Common Council can further the Educational prong. We request that the Public Safety & General Government committee discuss ideas and next steps with us during January's meeting.

Sincerely,

Andrea Shaut

Council President, City of Kingston
