Subject: Handicapped Parking Sign Removal at 106 W. Pierpont Street and adding an additional Do not
Attachments: [EXTERNAL EMAIL] Wrong way down one way street. - Hirsch, Michele.pdf; [EXTERNAL EMAIL] Wrong way down one way street. - Hirsch, Michele.pdf

Dear President Shaut,

Please accept this communication to remove the Handicapped Parking sign at 106 W. Pierpont Street as per the attached email from the homeowner of 95 W. Pierpont Street.

Additionally, the signage at W. Pierpont Street and McEntee Street needs to be addressed as there is a considerable amount of traffic traveling the wrong way on W. Pierpont Street from McEntee Street.

Thank you.

With kind regards,

Michele Hirsch
Alderwoman, Ward 9

From: James C Williams, John A Benson
95 W Pierpont St
Kingston, NY 12401

Hi Michelle,

I want to thank you for getting back to me so promptly this morning. Per your response I am sending you a copy of my text to your e mail as you requested.

Hi Michelle. This is James Williams. I live at 95 West Pierpont. Over the last months this street has become a dangerous street to live on. This is due to the fact that at least 4- 5 times daily, cars and trucks travel down this one way street the opposite direction. A few days ago a car was even parked facing the wrong direction. I called the police who went door to door looking for the owner. I didn't see any tickets issued, which I find problematic. I am worried that eventually I will see a head on collision or someone will swerve to avoid a head on collision and end up in my house or backyard where my grandchildren play. I have also talked to neighbors who are retired and are concerned as well. Can you help me or direct me to who I can talk to? This has really gotten completely out of hand.

I would also like to add that this problem has been on going for a long time but as of lately it is getting more and more frequent. The locals just go the wrong way intentionally because they are so used getting away with it, and others are just confused due to the lack of signage. There is only one sign at the end of the street at the corner of W Pierpont and McEntee street and a few years back there were two. This has really become an issue since the second sign was removed a few years back. I believe it was removed to put up handicapped signs for the person who lived at one time at 106 W Pierpont. This family no longer lives there for about 2 years now. Perhaps the sign can be replaced so it will eliminate some confusion for drivers coming from the opposite direction.

Again, we appreciate your help with this matter.

Thank you,

James Williams
John Benson

Dear President Shaut,

My office has been contacted by General Code in regard to Resolutions 165 of 2020, 167 of 2020 and 23 of 2021. These resolutions contain errors that must be corrected, passed out of Public Safety, and resubmitted to the General Code. I have attached the letter and resolutions for discussion.

Thank you,
Elisa Tinti

To: Sills, Dee
Subject: [EXTERNAL EMAIL] City of Kingston Code supplement

Good morning,

I have completed the editorial review of the City's latest legislation for the next Code supplement, and I was hoping you could assist me with the following items:

1. Res. No. 165-2020: This legislation states that it amends Section 390-57, "No Parking," to remove certain entries and add another. I'm not sure Section 390-57 is the correct number; also, when I search on "no parking between signs," I only come up with entries for Gage Street in Section 390-97; and I don't find an entry at all that contains "K4837." How should this legislation be incorporated?
2. Res. Nos. 167-2020 and 211-2020: These both instruct to amend Section 390-57 to remove "HANDICAP PARKING (and signage) at 60 South Manor Avenue." However, there is currently no such entry in Section 390-57. Should we disregard these resolutions, or was the intent to delete the entry in Section 390-57 for 69 South Manor Avenue?
3. Res. No. 23-2021: This legislation refers to Zoning amendments "as annexed"; however, we do not have the annexed copy to make the specific changes. Can you please provide this?
4. Just for your information, certain resolutions have been provided that do not appear to amend the Code, so they will not be included in the supplement: Res. ~~Nos. 177-2020, 178-2020 and 38-2021~~ simply refer proposed Code amendments to certain boards for review; Res. ~~No. 179-2020~~ disposes of a portion of a street; and Res. No. 19-2021 amends the Fee Schedule.

Oksey

Thank you, and please let me know if you have any questions!

re: Pavement marking, 20 Cedar St.

Ms. Shaut,

Hoping this letter finds you well?

Please find attached a sketch of a proposed striped, drop-off, no parking zone in front of the recently completed Energy Square building at 20 Cedar St. The drop-off zone is intended for dual use by the Energy Square tenancy and users of the Center for Creative Education on the first floor. It will require an elimination of approximately 6 on street parking spaces but provide an additional Handicap parking space closest to the corner of Iwo Jima Lane.

We believe this will provide a safer means to transfer children in and out of CCE and Energy Square, increase visibility for right turning vehicles from Iwo Jima and eliminate the inclination to double park that currently takes place on Cedar St. RUPCO and CCE will share in the execution of the work which we anticipate is limited to pavement marking only.

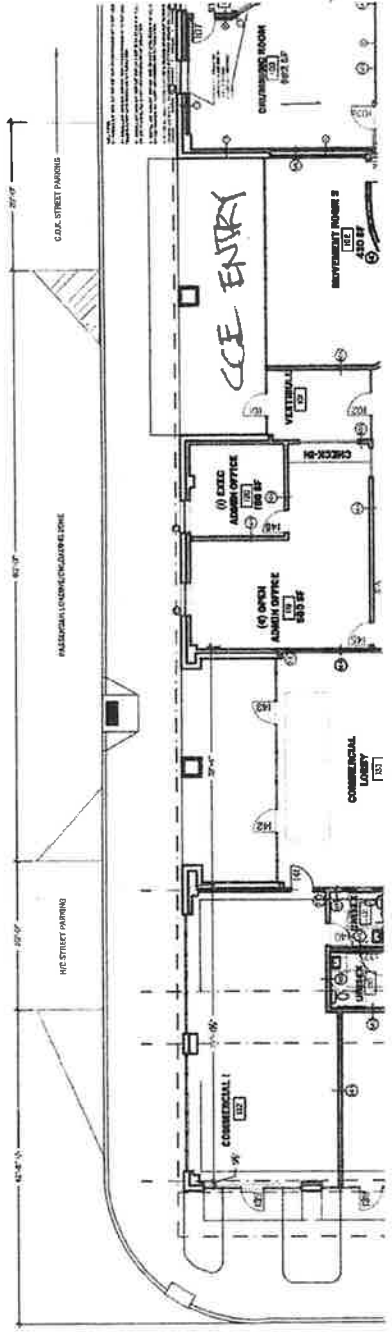

Respectfully requesting that the Common Council consider this action at its next opportunity. I will personally confer with your Public Works Superintendent prior to commencing with this work.

Sincerely

Charles Snyder
Asst. VP of Real Estate and Construction

Re: No Parking on East Side of North Street

Dear President Shaut,

As the City prepares for the grand-opening of the Empire State Trail along the Hudson River, I am requesting that the Common Council designate the East Side of North Street, from Delaware Avenue to the end of North Street, as a No Parking area. Keeping one side of the street cleared of parking will allow for a less impeded flow of pedestrians and cyclists to the new recreational area. This would keep the area safer for both motorists and trail guests.

Please feel free to contact me with any questions regarding this matter. Thank you for your consideration.

Respectfully Submitted,

Steven. T. Noble
Mayor
