**Subject:** Public Safety agenda item - Stephan Street

Madam President

Please add this item to the Public Safety agenda. I have recieved a number of complaints about speeding on this roadway and would like to discuss possible mitigation, that could include striping or a speed table. Thank you.

**Subject:** Public Safety agenda item - parking concerns at Foxhall and Derenbacker Street.

Madam President -

Please consider this a formal communication about the parking situation on Foxhall Street at Derenbacker Street. I have been in contact with the City Engineer and he has a plan for a temporary solution to address the problem before the major catial project is constructed. Please add this to the agenda. Thank you.
