

Malcolm Fairlie called the **November 8, 2017**-Board of Electrical Examiners meeting to order at 3:05 P.M. Gary Noble, Jim Sass and Robin Moore were present. Chief Brown took the minutes.

The October minutes were approved as written.

Daniel Goldstein was issued License #425. He paid \$225 and showed proof of insurance since passing the exam.

Sean Correa of Connelly, NY appeared at 1 P.M. and was given Exam 1C. His exam was collected at 3 PM, and corrected. He received a passing grade and will return in January, pay the fee and show proof of insurance. He will be issued a license then.

James Sofranko of West Shokan, NY appeared before the Board for an interview. The Board reviewed his application with him and approved him to take the Master Electrician exam. He plans to appear on December 13, 2017 at 1 P.M.

The Board reviewed a complaint against Jared Diers. Since the situation happened outside of our jurisdiction they have no authority, and the complainant was notified. Malcolm Fairlie spoke to Jared Diers regarding the complaint.

The Board reviewed a complaint against David Seche. Further review and documentation is necessary before any action can be taken regarding this complaint. However, in review of this complaint it was found that work was done at this location by an unlicensed electrician and inspected by one of the certified inspection agencies. They will be notified of same.

The Board did not discuss any Old Business or New Business.

The meeting adjourned at 5 P.M.
