

Broadway Streetscape Project

INFORMATIONAL MEETINGS THURSDAY, FEBRUARY 23RD

Morning Session: 10:00am-Noon
or

Evening Session: 6:00pm-8:00pm

Both sessions will take place at
Kingston City Hall (420 Broadway)

Written comments about the design can be submitted via e-mail at Broadway@kingston-ny.gov or by mail at: City Hall, 420 Broadway, Kingston, N.Y. 12401.

General questions about the informational sessions can be directed to Megan Weiss-Rowe at (845) 334-3964.

This project will reconstruct Broadway, from St. James Street to Grand Street, to improve safety and traffic flow for motorists, pedestrians, transit users and bicyclists and to revitalize the corridor.

Join Mayor Steve Noble at either the morning or evening session (they're identical!) as he unveils the preliminary designs for this major infrastructure project. After reviewing the designs together, all participants will have the opportunity to speak to project representatives about any questions, concerns or suggestions they have regarding the design.
