50th ANNUAL CHILDREN'S DAY PARADE

“50 Years of Family Films!”

Kingston Parks & Recreation and Mayor Steve Noble are pleased to announce that 2018 marks the 50th Anniversary of the annual “Children’s Day Parade! For this year’s theme, we will take a fun look back at children’s movies over the past 50 years! We ask that parade participants display their chosen movie name and year of it’s release on the front of the float. As always, we will end the parade at the Kingston Plaza where we will celebrate the parade’s 50th birthday with hot dogs & cupcakes for all participants!
