ATTENTION TEENS! ARE YOU INTO COMPUTERS?

Ever wonder how the employees at Google Maps make the maps?

Become a part of the solution. Help us make the streets of Kingston safe for walkers and bikers city-wide!

Join Kingston's GIS Community Mapping Team!

The Healthy Kingston for Kids Safe Routes to Schools and Parks Committee is looking for at least five youth in grades 8-12 to participate in the mapping of Kingston's streets. Members accepted on a rolling basis.

The Mapping Team meets every Friday from 3:00 pm to 5:30 pm. The Team meets at an Ulster County computer lab at 25 South Manor Ave., Kingston.

You'll Learn

- GPS Handheld Unit Use
- Map design
- Analysis of geography and the community
- ESRI's GIS software, Arcview 9.3
- To work in partnership with professionals and adults in your community

Youth who participate may use the experience as an internship for credit or to put on your resume.

For more information about becoming a GIS Community Mapping Team Member call Kristen Wilson at 845-340-3990 or email kew67@cornell.edu
